ADM-1

MEMORANDUM FOR: Chief, Far East Division, DDP

SUBJECT: Request for Revision of Two OSI Publications

1. OSI cannot supply in published form by 1 February 1964 revised versions of The Chinese Academy of Sciences and Science and Technology in Communist China through 1967 as requested in your memo of 29 November 1963.

2. We do, however, wish to support the revision of the China Handbook to the extent possible. We can supply typewritten revisions of portions of our publications for your incorporation in the revised Handbook. These revisions will eliminate all major instances of error or misleading or outdated information presently known to us.

3. Please let us know if this will be satisfactory for your purposes.
